2019 BIG READ SELECTION

Our Town
Thorton Wilder

October 1 - November 8, 2019

Our Town could be anyone's hometown; the play is a three act allegory about the meaning of life, which Thornton Wilder finds in these seemingly insignificant events that occur and recur throughout generations.

The play utilizes a minimalist theatrical style in such a new effective way that it received a Pulitzer Prize for Drama upon its release in 1938. It has since become an American classic and is Thornton Wilder’s most renowned and most frequently performed play.
